HOSPITALITY

80 YEARS OF THE SCHLÖSSL

The foundations for the current Schlössl were laid in **1938** with the building of a 'store with an inn'. The 'Wirtshaus am Höpperg', a popular traditional guest-house, became the Ferienschlössl at the start of the 90s.

The site underwent considerable extension and modernisation work in autumn **2004**.

2018 – Today the Schlössl stands up on high and is one of the number one addresses for a relaxing holiday in the anterior Ötztal valley.

Celebrate our 80th anniversary with us – we look forward to meeting you!
